

Dear Ms. [REDACTED] Hyun,

Congratulations! I am pleased to inform you of your acceptance to Stony Brook University. In recognition of your fine academic performance, you have been admitted as a matriculated undergraduate in Stony Brook's **Technological Systems Management** program at SUNY Korea for **Spring 2021**. We are excited to inform you that you will pursue your US degree with membership in a prestigious Residential College program which you will learn not only from the education environment but also from the quality of events and interaction between colleagues as you fulfill your on-campus residency requirement with your class.

As a student in this program, you will take all your courses at our SUNY Korea campus located in Incheon, Korea, except for one academic year for multi-disciplinary core courses at Stony Brook University, New York, U.S.A. At SUNY Korea, you will be part of the Korean government's aspiration to build a global education, research and business hub in Incheon, Korea. At Stony Brook University, you will be studying in the company of 26,000 students from more than 100 countries around the world, in one of 13 schools and colleges, with more than 200 academic programs all within 60 miles of New York City. Our world-renowned faculty's primary commitment is to you. And when you graduate, Stony Brook's reputation for excellence will open many doors for you.

By accepting this offer of admissions, you are agreeing to abide by the structure of the academic program at SUNY Korea, which consists of three years of study in Korea and one year in the United States.

You will receive information in increments regarding documents to be submitted and schedules to follow such as orientation, health insurance, and placement exams. Please read each email carefully in order to meet deadline.

Note that your admission to the University is contingent upon obtaining current or higher level of academic grades and upon your successful completion of secondary education. You are required to submit final transcripts from all secondary and post-secondary schools you have attended in original copies to the SUNY Korea Admissions Office (A212 Academic Bldg., 119-2 Songdo Moonhwa-Ro, Yeonsu-Gu, Incheon, Korea 21985) by the final document submission date.

On behalf of Stony Brook University and the SUNY Korea community, I welcome you to one of the world's finest universities.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jung", though the name is Dr. Yu-wan Wang.
